Yes, this is confusing.
(And no, I don't know why it's this way)

Sometimes the results might
not be what you expected.

*That's ok! The important thing
is you're noticing.*

The rules will get you 90%
of the way there.

The other 10% comes from you.

EXERCISE

Use one, or both, of these methods
and choose an accent colour for
your design
