

Sourcing photography for your designs

DESIGN FUNDAMENTALS

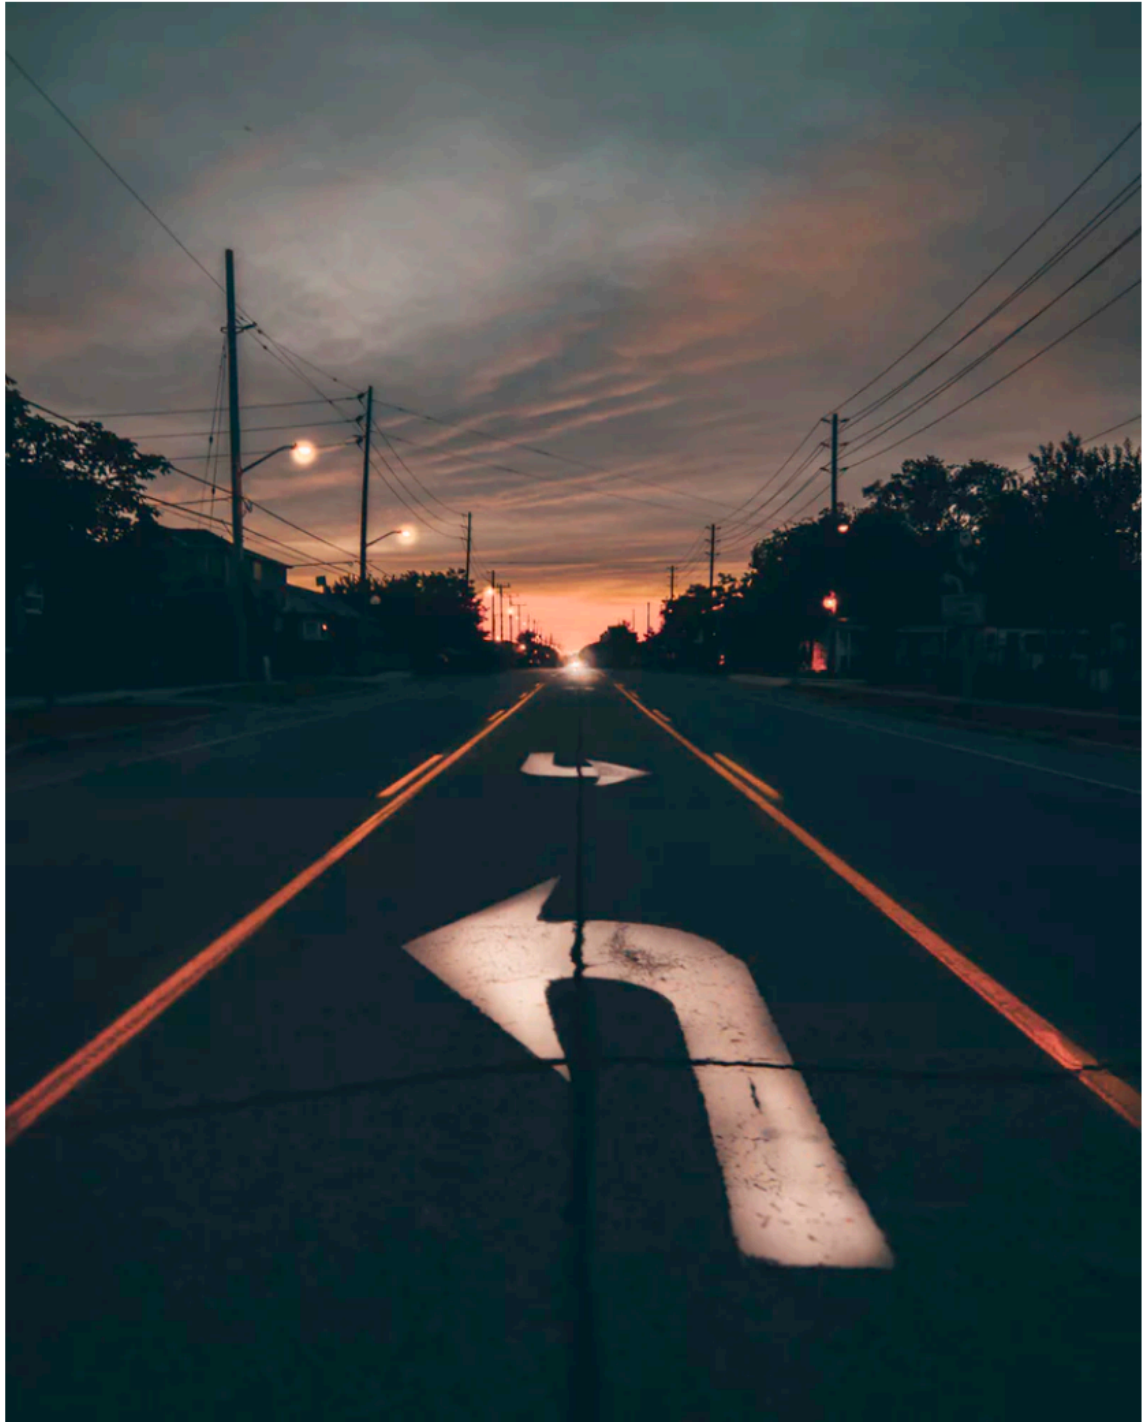

To get super high quality imagery,
you may need to spend money

But it will likely cost less than you think!

If you're not making any money from
your product, don't feel like you need
to spend anything.

*There are always free alternatives — it may require extra
time, but they're there.*

Where to find high quality
photography?

Stay clear of overused imagery
